Commercial space in Calpe - Investment

Industrial building in Calpe between other commercial buildings, rectangular in shape, consisting of basement, semi-basement and ground floor. The building has 2 façades, one where the main entrance and the ground floor are located and a secondary façade to the asphalted road at the back, being this floor the semi-basement. This building is very well suited as commercial space for a shop, a car dealership or others. Please contact our office for more information.
